Just closed a 5.5 million financing for a discounted note buy out this is part two of a 11 million deal on 120,000 sq. ft. of Class A office space . The best part of it is when we meet the client they were willing to abandon the property or take equity partners and we closed it with them owning 100% of the project.. They were trilled and so were we to help then they are great people
